Attention Mr. Mandy:

I am in receipt of
your letter as of date 1/23/41,
starting in detail the accept-
ance of the recommendation
of one Mr. Lester P. Foster for
my being taken to training
camp of your club.

Yes sir, Mr. Foster has
a knowledge of my records
through the press, and I certainly
appreciate his and your in-
terest shown me in at-

tempting to give me a
break.

I cannot however
give you a definite answer
as to my being in position
to accept your proposition
due to my being subject
to be sent to an Army
Camp. I am a conscriptee.
Yet I have not been called
yet only for examination.

As you know I am not
master of my movements now
since military training is
compulsory at this time. It's a
law.

But I am going to ask
you a favor.

I am very much interested in
a try out with your club,
pitching is my specialty. After
I see whether I am not called
will you kindly keep that
offer open until last. I will
keep in touch with you until
near the middle of March inst.

Mr. Grayley in your next
letter will you tell me app-
roximately the expense in-
volved, requirements nec-
essary for entering and con-
sideration etc.

Thanking you for
your kind consideration,

I remain

Cecil E. Cole
